

# Deluxe Mono Headphones

Model 2924AVPV

1. Rugged polypropylene headstrap holds up in high-use settings
  2. Adjustable headband fits students of all sizes
  3. Noise-reducing earcup lowers ambient noise so volume does not need to be as high, as recommended by audiologists for hearing safety
  4. Conveniently located volume control on earcup
  5. Permanently attached cord with reinforced connection resists accidental pull out for safety
  6. 1/4" connector attaches to commonly used media players
  7. Durable ABS plastic earcups hold up to repeated school use
  8. Replaceable, cleanable ear cushions for multiple users
  9. Slotted baffle prevents access to speaker, avoids accidental puncturing of the speaker cone
- One year warranty for school use - unlike headphones purchased at a consumer electronics store whose warranty is voided if used in schools

This durable, beige-colored headphone is the educator's standard for listening centers, literacy groups, ELL and ELD and other language learning activities. Its 6' coiled cord and 1/4" plug makes this a versatile headset!
